

Costs Claimed

10 Years in Review

Although the services of the Sport Dispute Resolution Centre of Canada (SDRCC) are free at the national level of the Canadian sport system, some costs (legal fees, filing fees, time off work, etc.) may be incurred by one or more of the parties to the dispute. In these cases, the parties can file for *reimbursement* by the other party(ies) in the dispute. The Arbitrator will rule on what costs will be awarded in each circumstance. However, in the vast majority of cases, costs are not claimed or awarded.
